

Make Crete the tech hub of Eastern Mediterranean

#Accelerate_Cretan_tech_ecosystem

powered by

**STARTUP
GREECE**

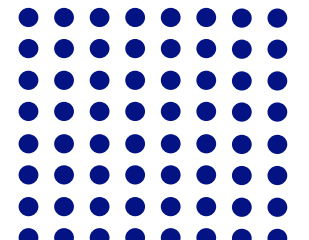

The challenges of the Cretan tech community worldwide

01 The efforts so far are **scattered and not connected**

02 The Cretan tech startup community are **not well connected from the world's major tech startup hubs**

03 Startups in **Crete** have **no or limited access to great startup resources** (investors, clients, experts etc.)

An open online program for every Cretan tech startup founder

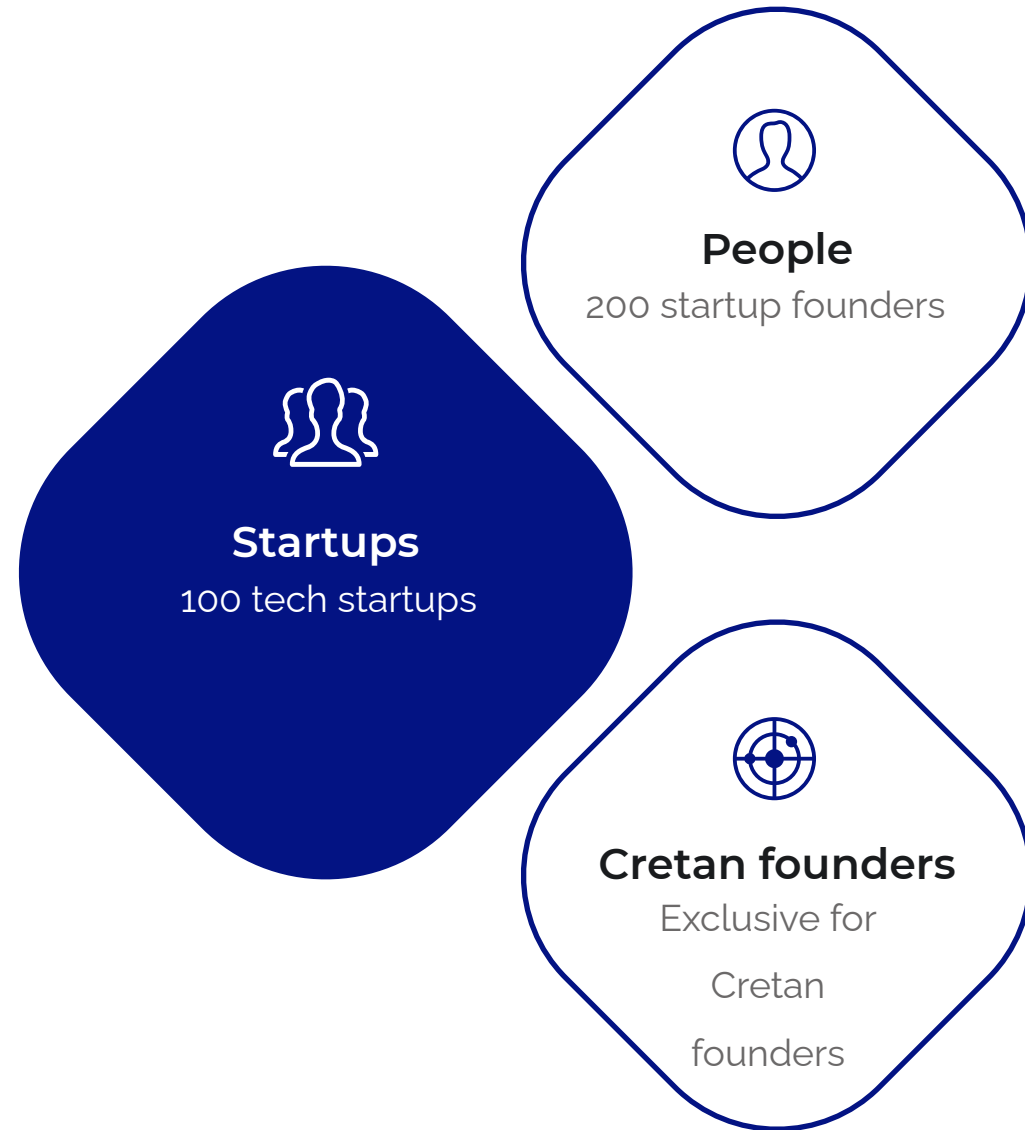

Inspire

Educate

Connect

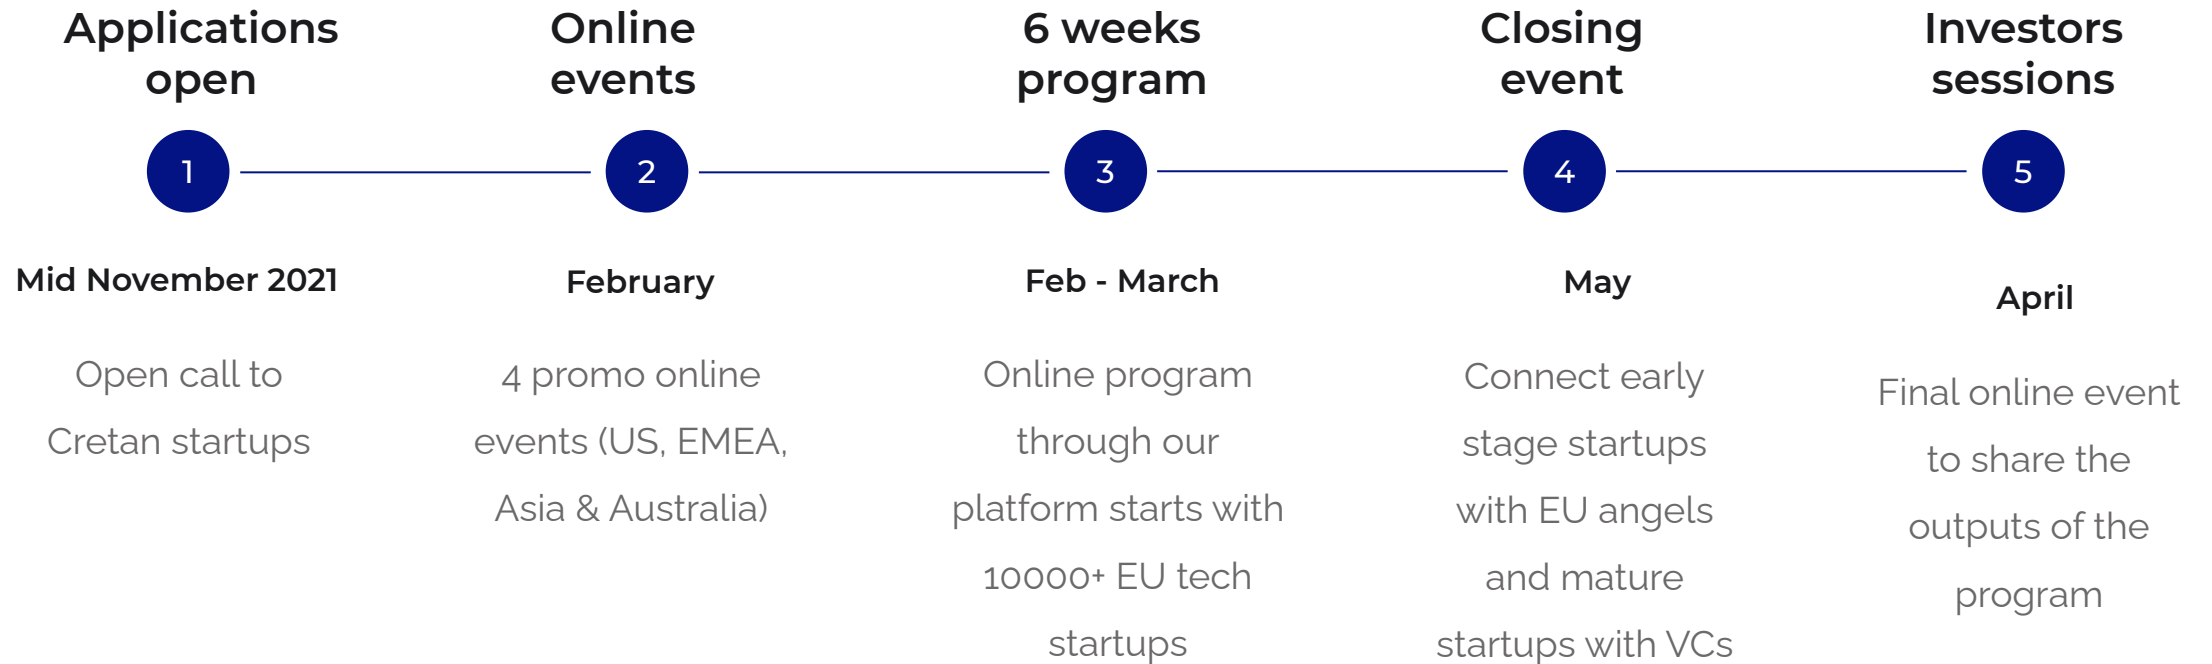

Overview of the program

The biggest project for Cretan startups, connecting hundreds of early stage startups with **the brightest minds of diaspora** - established founders, well known investors, great engineers, academics and experts – through a massive open online program.

Timeline

Total duration of the program – **5 months**.
